Sub : Information sought under R.T.I. Act
2005 from Indian Railways.

Dear sir,

Kindly inform us the following questions under R.T.I. Act
2005.

1. If material is supplied after getting the purchase order from Indian Railways with wrong specification or material does not match the Railway Standard ISI, will the material be accepted ?
2. Can the concerned Depot. utilize the material with wrong specification
3. Can the Depot., which received the material with wrong specification and also without Inspection Certificate utilize the material ?
4. What action can be taken against the firm which is in the Approval list ?
5. Will any action be taken against the Concerned Official from Indian Railway.
6. With regard to tender no. 1310/08/04/1076/OT opened on 11.10.2004 floated by Eastern Railway or any other tender has any firm supplied R.C. Fans with wrong specification and without Inspection Certificate ?
 - a) Was the fans utilized ?
 - b) What action was taken against the Railway Official firm, if any?
 - c) Was RDSO informed about the supplies of the fans with wrong specification and what steps did RDSO taken
